

PUBLIC NOTICE

The Montana Department of Environmental Quality (Department), Permitting and Compliance Division, Waste and Underground Tank Management Bureau, Solid Waste Program, received an application for licensing a solid waste management system. The Department reviewed the application and determined it is complete. The name and address of the applicant is:

Sunburst Restoration Group, PO Box 1605, Great Falls, MT 59403

The application is for a proposed Class II Solid Waste Management – Soil Treatment Facility (landfarm) that will be located off of Loop Road in Sunburst, Montana. The landfarm will consist of a single waste management unit constructed to remediate gasoline-contaminated soils. The proposed site is located on 86-acres in the N ½ of the SE ¼ of Section 12, T36N, R3W, Toole County, Montana. The applicant proposes to use 60-acres of the 86-acre parcel for landfarming activities.

The purpose of this public notice is to inform the public of the proposed action and to seek public participation in the decision-making process. To comply with the Administrative rules of Montana 17.4.607(2), 608, 609, and 610, an Environmental Assessment (EA) has been prepared and a copy is available upon request from the Waste and Underground Tank Management Bureau, Solid Waste Program, P.O. Box 200901, Helena, MT 59620-0901. A complete color copy of the EA may be downloaded from the Department's website at: <http://deq.mt.gov/ea/WasteMgt.asp>.

The public has thirty (30) days from the date of this notice to submit written comments concerning the proposal. If you wish to comment on this proposed action within the 30-day period, please do so in writing by mailing your comments to the Waste and Underground Tank Management Bureau, Solid Waste Program, P.O. Box 200901, Helena, MT 59620-0901, or by E-mail to the mailbox wutbcomments@mt.gov. In addition, a public meeting will be held on Wednesday, November 5, 2008, in the Sunburst High School Auditorium from 7:00 to 9:00 p.m.
